

# AXIS JURIS INTERNATIONAL JOURNAL

---

## ABOUT THE JOURNAL

Axis Juris International Journal aims to provide an open-access platform where anybody may contribute their research on any subject and help to create a reliable platform that anyone can use to increase their knowledge and expertise. The Axis Juris International Journal is an online publication that strives to stand out from the competition in the fields of research, writing, and article creation.

## EDITORIAL REVIEW POLICY

Any manuscript will go through a double-blind peer review procedure. Manuscripts submitted for publication. In the following order, all contributions are forwarded to the editors:

Managing Associate > Junior Editor > Editor > Peer Review > Editorial Board Review

*The reports of the Editors will determine whether or not to publish the Manuscript.*

- *We submit articles alternatively to editors as per the workload from time to time.*

Editors primarily work voluntarily for Axis Juris International Journal. But as per the declaration made in which we clearly dictate out that “[We charge on manuscript reviewing, peer review fees, plagiarism checking by Turnitin and other software, Grammar checking, editing fees, etc](#)”, hence, we have fixed a rate of Payment for evaluation of Journal And Blog Articles:

- For evaluation of all types of journal articles editors will get a fee payment of INR 65/-

- For evaluation of all types of blog articles editors will get a fee payment of INR 35/-
